

Developing Leaders Initiative

SIGMA ALPHA MU FRATERNITY

The Developing Leaders Initiative (DLI) is a biennial program designed to provide an immersive experience in cultural competency, organizational governance, professional leadership and peer mentorship.

DLI also teaches undergraduates about post-collegiate community involvement opportunities.

Surveys report **86%** of DLI alumni serve their community after college.

"I became a better Greek leader and a better man."

Joseph Pavkovich (Delta Class)

The Difference of DLI

DLI participants design and facilitate programming for the Leadership Conference. > Find this year's topic in the packet.

DLI participants develop and propose an innovative program or policy reform to Fraternity Board. > Find this year's proposal in the packet.

"I have a deeper understanding of what **motivates leaders.**"

Matthew Modansky (Alpha Class)

"I was able to transition my experience from DLI into my **personal and professional life.**"
