

Undergraduate Achievement Award

Senior Division

Brian Sullivan, a senior at Stephen F. Austin University, is the 2009 winner of the Undergraduate Achievement Award as the outstanding senior applicant. Fra Sullivan, who comes from Austin, Texas, has an enviable record on the Nacogdoches campus. Firstly, his GPA is 3.77/4.0 for 3 ½ years work, majoring in communication and sociology. He has served his Epsilon Alpha chapter as alumni recorder for two years, exchequer, and recruitment chairman. Brian is currently the president of the SFA student body. In that capacity he regularly consults with the University president, and reports to the school's Board of Regents. Additionally, by invitation he serves as the teaching assistant for a course in interpersonal communication, and is the only undergraduate teaching assistant in the university.

The winner of the Undergraduate Achievement Award in the Junior Division for 2009 is an outstanding frater, **Benjamin Laitman** of Theta chapter at Penn. Fra Laitman has an enviable record in a wide variety of important areas and activities on campus and in his chapter, where his GPA is 3.96/4.0. In his excellent essay, he expressed a sophisticated and appreciative view of the fraternity idea and its ability to help its members to grow.
